

## Israel Vision Prayer Tour Schedule - 13-22.11.2009

### Hosted by Drs. Jay & Meridel Rawlings

With joy we welcome you to join our Israel Prayer Tour 2009. For over 30 years now we have been involved in documenting the modern miracle of the restoration of the land of Israel through films, videos, books and the Internet. We want you to meet our Israel Vision Team and see the planned site for our new Media studio in the Hills of Judea. Also you will encounter local Israelis along the way so you can pray more effectively for the Peace of Jerusalem and our work here. This unique tour has been prepared for first timers and repeat visitors in mind. Will you join us and become a prayer partner for Israel? Welcome!

**Price per Person: \$1696.00 USD**

### Tour Schedule

**Friday, Nov. 13th: Day of arrival – you arrange your own flight to Israel.** Sabbath service at our synagogue, dinner and overnight at the Bellevue Hotel at Kibbutz Zuba in the “Tuscany of Israel”

**Saturday, Nov. 14th:** We start our tour with a visit to the Israel Vision TV Studios in Mevasseret Zion. We will then visit Kison, the planned site for our new media studio in the Hills of Judea. Hear about the geography and history of this region mentioned in Joshua 15:10, and visit the “Scrolls of Fire” monument that commemorates the Holocaust and the resurrection of the Jewish people. Towards noon we will drive to Kibbutz Zuba, where we shall visit the Cave of John the Baptist, with its water-system from the First Temple period, and the oldest inscription mentioning John the Baptist. In the afternoon we drive to the Canada Park to walk along the remnants of the Roman city Emmaus, where Jesus was first seen after his resurrection, and where the great battle of Joshua against the Canaanites at the Valley of Ajalon took place. Overnight at Kibbutz Zuba in the Hills of Benjamin near Jerusalem.

**Sunday, Nov. 15th:** We leave Jerusalem for a tour of the old city of Jaffa, one of the ancient gateways to the Holy Land: Through its port the Cedar logs for Solomon’s Temple were brought, the prophet Jonah tried to flee God, but most important: it was in Jaffa where Christianity began to be spread among the nations. Here St. Peter stayed in the house of Simon the Tanner. Today Jaffa’s renovated alley-ways attract many artists, who have their galleries there. We then drive to Caesarea Maritima\*, the magnificent port-city built by King Herod the Great. From here St. Paul went to Rome. In Caesarea’s well-preserved theater an inscription of the procurator Pontius Pilate was found. We continue our drive along the shore of the Mediterranean Sea to the modern port-city of Haifa, situated on the slopes of the evergreen Mt. Carmel. The view from this mountain is famous for its beauty. On Mt. Carmel we visit the Muhraka monastery, where Elijah had his glorious competition against the 400 prophets of Baal. The view of the Jezreel Valley, Mt. Tabor, and Samaria enables us to understand this and other biblical events. O/N Tiberias near the shores of the Sea of Galilee.

**Monday, Nov. 16th:** Visit Zippori\* (Sapphoris) in lower Galilee. It was here that the Jewish Mishna was sealed. In Zippori we can still see some well-preserved mosaics, a theatre, and a synagogue, all together in one place. Then we drive to Kefar Kedem in nearby Hoshaya, where we can experience life in Biblical times. Today we will also enjoy a special ‘Biblical’ lunch at the site. In the afternoon we will drive to the Arbel cliffs in order to trace the footsteps of Jesus and have time for reflection and to listen to the “still small voice”. We will enjoy the view over the Sea of Galilee, where we will also spend the rest of the day. O/N in Tiberias.

**Tuesday, Nov. 17th:** Today we visit many places where Jesus ministered around the Sea of Galilee: Capernaum, with Peters House and the famous Synagogue, the Mt. of the Beatitudes, where the "Sermon on the Mount" was given, and the reconstructed church at Tabgha, where tradition places the multiplication miracle of the loaves and fishes. We will also sail on the sea in a boat similar to the one used by Jesus and his disciples. In the afternoon we drive to Hamat Gader, home of the Gaderene whom Jesus delivered from demons. Then lets relax in the hot springs spa of ancient Gadera, where we spend the rest of the day. O/N in Tiberias.

**Wednesday, Nov. 18th:** On our way down the Jordan valley we visit the 2,000 year old synagogue of Bet Alpha, and see the connection to the pioneer farmers who rebuilt this Kibbutz in the 1920's. We travel along the Jordan Valley, past Jericho, visit Qumran, the where the "Dead Sea Scrolls" were found. Along the shores of the Dead Sea at the Oasis of Ein Gedi we will drive up to the Field Study center from where we can enjoy the view of the flourishing valley where King David hid from Saul. Now it's time to float in the Dead Sea and enjoy the rest of the facilities our luxury hotel has to offer....!!!

**Thursday, Nov. 19th:** After breakfast we drive to Arad, to the home of a Christian artist Rick Werneke. Rick has created the "Wall of Tears", which shows a connection between the Holocaust and the Crucifixion. Rick will talk with us about his life, his works, and his beliefs. Then we drive back to the Holy City – Jerusalem!

We will start with a visit to the Western Wall and the Temple Mount (if open to visits) and then widen our knowledge about the Beit Ha Mikdash or magnificent Temple of the Lord in the Davidson Center, where we will experience the inspiring "Pilgrimage to Jerusalem" in an audio-visual presentation. We will walk on the newly excavated stairs, and other biblical sites near the Southern Wall of the Jerusalem Temple. O/N in Jerusalem.

**Friday, Nov. 20th:** This day is dedicated to the new city of Jerusalem: We will start with a thorough visit of Yad Vashem, Israel's official and central Memorial of the Holocaust. Then at the Israel Museum we visit the "Shrine of the Book", where the Dead Sea Scrolls are exhibited, and the 1:50 Model of Jerusalem during the Second Temple Period (the time of Jesus). We will also visit the 3 meter "Menorah" (Candelabra) situated in front of the Knesset, Israel's Parliament. We will spend the rest of the afternoon in the colorful Mahane Yehuda Market. Friday afternoon Israeli's are busy with the final preparations for the Sabbath – an experience we don't want to miss!!! O/N in Jerusalem.

**Saturday, Nov. 21st:** We start the day from the Mount of Olives. A leisurely walk down to the Garden of Gethsemane, that brings us to the "Church of All Nations". We cross the Kidron valley, stop at the monument for the Israeli paratroopers who liberated Jerusalem, and enter the Old City, through the "Lions Gate". We walk along the "Via Dolorosa" – Jesus' "Way of Suffering" and visit a Roman pavement where you can see some engravings the Roman soldiers made. We will see the Old City's Turkish bazaar, the Jewish Quarter and finish at the "Garden Tomb". This quiet garden reminds us of the crucifixion and is the perfect place for reflection, meditation and prayer. Gal farewell dinner
